Like landmarks on a road map, these moments mark key points along your life s journey. A defining moment happens when you come face-to-face with a truth that invites you to change the way you live. It demands that you make a decision. And regardless of the choice you make, you will never be the same. In this eight-part companion study guide to the Defining Moments DVD, bestselling author Andy Stanley examines several such moments as depicted in the lives of people from Scripture- the kinds of moments many of us will experience in our lifetimes. And if you re willing to look at truth honestly, these moments can change your life forever.
