Outline Press Ltd, United Kingdom, 2008. Hardback. Book Condition: New. 318 x 210 mm. Language: English . Brand New Book. The Totally Interactive Keyboard Bible is an unrivalled four-part multimedia package for anyone interested in playing keyboards. The four interrelated components - a DVD, a reference book, a tutor book, and a CD, all housed in a durable hard cover that converts into a reading stand for ease of use - take the reader through a range of styles, including blues, jazz, soul, rock, and dance. The DVD demonstrates key instruments from the history of keyboards, including organs, electric pianos, and synthesizers, and shows how they have been used in a range of musical styles. The tutor book offers a step-by-step course in keyboard playing, from the basics of technique through to the classic styles of past and present, including blues, jazz, soul, rock, and dance. It offers comprehensive information on the great electronic keyboards, and a guide to how to use them in the home studio and on the road plus biographies of the key players of the last century. The CD accompanies the tutor book with a programme of musical examples, professionally played and recorded to help you master the whole range of musical styles.
