BEYOND SMOKE AND MIRRORS: MEXICAN IMMIGRATION IN AN ERA OF ECONOMIC INTEGRATION

[DOWNLOAD](#)

Russell Sage Foundation, United States, 2003. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Migration between Mexico and the United States is part of a historical process of increasing North American integration. This process acquired new momentum with the passage of the North American Free Trade Agreement in 1994, which lowered barriers to the movement of goods, capital, services, and information. But rather than include labor in this new regime, the United States continues to resist the integration of the labor markets of the two countries. Instead of easing restrictions on Mexican labor, the United States has militarized its border and adopted restrictive new policies of immigrant disenfranchisement. Beyond Smoke and Mirrors examines the devastating impact of these immigration policies on the social and economic fabric of the Mexico and the United States, and calls for a sweeping reform of the current system. Beyond Smoke and Mirrors shows how U.S. immigration policies enacted between 1986 1996 largely for symbolic domestic political purposes harm the interests of Mexico, the United States, and the people who migrate between them. The costs have been high. The book documents how the massive expansion of border enforcement has wasted billions of dollars and hundreds of lives, yet has not deterred increasing numbers of undocumented immigrants from heading north. The authors also show how the new policies unleashed a host of unintended consequences: a shift away from seasonal, circular migration toward permanent settlement; the creation of a black market for Mexican labor; the transformation of Mexican immigration from a regional phenomenon into a broad social movement touching every region of the country; and even the lowering of wages for legal U.S. residents. What had been a relatively open and benign labor process before 1986 was transformed into an exploitative underground...
