By Nadi Kunjari

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.By mere chance, I ran into an amazing human being who unselfishly shared wisdom that changed my life forever. I am not the type who reads self-help books or related material. I was not seeking guidance in any way, shape or form. By simply opening my mind to actively listen to what was being said, I was moved to put the simple advice to practice. Instantly, I accumulated massive amounts of actual data that prove, beyond a shadow of a doubt, personal peace and understanding is certainly obtainable. It was too easy, and seemed too good to be true. Nadi Kunjari allowed me to share this information in the hope that it would help others. Though invaluable, Nadi insisted that monetary cost remain low. It is not about the money, it is about genuine caring for ourselves and our fellow humans. ALL phases of life whether personal or business will be improved if these simple concepts are embraced. It takes minutes, but will improve a lifetime.
