Ask better questions, get better answers, achieve better results! "Required reading for every leader who wishes to see his or her organization flourish and career progress." Garry A. Neil, MD, Corporate Vice President, Johnson & Johnson "Asking, listening, understanding the real meaning of the answers, and taking actions based on facts are really the essence of managing. This book has helped me in connecting the dots in my understanding (and lack thereof) of why things really did not work the way I expected them to." Pradip Banerjee, PhD, Chairman and Chief Executive Officer, Xybion; retired partner, Accenture "The framework and techniques provide outstanding ideas for executives to both gain better information and develop the analytical skills of their teams." Terry Hisey, Vice Chairman and US Life Sciences Leader, Deloitte We've all met the corporate inquisitor: the individual whose questions seem primarily intended to terrify the victim. The right goal is to solve the problem--and to build a more effective, collaborative organization where everyone learns from experience, and nobody's too intimidated to tell the truth. That means asking the right questions in the right ways. This book will teach you how to do precisely that. Terry J. Fadem shows how to choose the right questions and avoid questions that guarantee...
