

Watermind

Filesize: 6.8 MB

Reviews

Very beneficial to any or all group of folks. I was able to comprehend everything using this composed e ebook. I am pleased to inform you that here is the finest publication i have study inside my individual daily life and might be he very best pdf for actually.
(Brielle Hilpert)

WATERMIND

To get **Watermind** eBook, you should access the web link under and save the document or have accessibility to additional information that are highly relevant to WATERMIND ebook.

BRILLIANCE AUDIO, United States, 2015. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. From storm drains, illegal dumps, and flooded landfills, all of North America's most advanced technology flows down the Mississippi river microchips, nano-devices, pharmaceuticals, genetically modified seed and lodges in the Louisiana delta. Out of this mire emerges a self-organized neural net, drifting in the water: the Watermind. It can freeze, boil, condense, and move seemingly at will. CJ Reilly is a brilliant, sexy, self-destructive MIT dropout running away from Cambridge and the suicide of her ironic, emotionally-distant father. She is both infuriating and sympathetic. She is working as a laborer in Devil's Swamp near Baton Rouge, cleaning up a small pollution spill when she and her new lover, Max, discover the mysterious Watermind. Reilly's more interested in investigating it than containing it, but when it kills someone and escapes into the Mississippi, corporations, governments, protesters, the coast guard, and a really wacky underground journalist get involved. And there's no longer any question that it must be destroyed before it reaches the ocean. Watermind is Philip K. Dick meets The Blob, a postmodern combination of camp SF motifs and writerly ambition attacking serious subjects. M.M. Buckner's Watermind is powered by a lean, reaching prose, a protagonist so real you can practically reach out and touch her, and a tight techno-savvy plot that will leave you exhausted! The best book I've read in years. -- William C. Dietz, author of Legion of the Damned.
