The new season for the Point Grey Philharmonic starts off on a sour note when one of the symphony's wealthy benefactors drops dead in the latest Music Lover's Mystery. When Archibald Major, local big wig and nasty tyrant, drops dead at a post-concert reception, violinist Midori Bishop soon suspects foul play. Although Midori has no intention of getting involved in another murder investigation, that all changes when Jordan, her violin student and the victim's grandson, seeks her help convincing the police that the real killer is his uncle, a low-level criminal. As Midori digs into the victim's life, she discovers that he was a man who created discord at every turn, even within his own family, and there is no shortage of potential suspects. When someone close to Midori unexpectedly confesses to the crime, Midori must race to discover the identity of the true killer before an innocent person goes to jail for a crime they didn't commit and before Midori herself becomes a victim in the killer's deadly encore.
