By Paul Jamiol

Dog Ear Publishing, United States, 2009. Paperback. Book Condition: New. 272 x 211 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. BIKERS are ANIMALS - A Children s Book on Motorcycling by Paul Jamiol is a unique and fun way to introduce young readers to the world of motorcycling. Using a menagerie of cartoon animals in motorcycle dress and riding cool motorcycles, the author shows children and parents alike that motorcycle riding is fun and that motorcyclists are intelligent, appealing, hardworking, independent and family-oriented individuals. They are concerned with helping others and working together regardless of who or what they are. The characters in this riding adventure speak to the child by what they do. Their brief little stories tell of what they love, and how motorcycles and riding enhance their lives and their relationships. The emphasis is on safety, working together and caring about yourself, others and your motorcycle. The animals are of different species and get along well, mirroring the human experience of understanding that the differences in people makes us all a little better. Some of the animals are large and some are small but their pride in what they do is evident....
