University of Oklahoma Press, Norman, 2014. Hardcover. Book Condition: New. Volume 41 in Campaigns & Commanders.. 568 pages. Hardcover with dustjacket. New book. MILITARY HISTORY. The first scholarly biography in English of the celebrated Prussian general. One of the most colorful characters in the Napoleonic pantheon, Gebhard Leberecht von Blcher (1742-1819) is best known as the Prussian general who, along with the Duke of Wellington, defeated Napoleon at the Battle of Waterloo. Throughout his long career, Blcher distinguished himself as a bold commander, but his actions at times appeared erratic and reckless. This magnificent biography by Michael V. Leggiere, an award-winning historian of the Napoleonic Wars, is the first scholarly book in English to explore Blcher's life and military careerÑand his impact on Napoleon. Drawing on exhaustive research in European archives, Leggiere eschews the melodrama of earlier biographies and offers instead a richly nuanced portrait of a talented leader who, contrary to popular perception, had a strong grasp of military strategy. Nicknamed "Marshal Forward" by his soldiers, he in fact retreated more often than he attacked. Focusing on the campaigns of 1813, 1814, and 1815, Leggiere evaluates the full effects of Blcher's operations on his archenemy. In addition to providing military analysis, Leggiere draws extensively from Blcher's own writings to reveal the man behind the legend. Though tough as nails on the outside, Blcher was a loving family man who deplored the casualties of war. This meticulously written biography, enhanced by detailed maps and other illustrations, fills a large gap in our understanding of a complex man who, for all his flaws and eccentricities, is justly credited with releasing Europe from the yoke of Napoleon's tyranny. 24 black and white Illustrations, 23 maps. Michael V. Leggiere is Assistant Professor of History at Louisiana State University, Shreveport. He is the author...
